

OPGA to Hold District Meetings

Make plans to join us for the upcoming District Meetings hosted by OPGA.

The dinner-meetings are open to all OPGA Members, Marketers, and Suppliers. Non-members who want to know more about OPGA are also invited. OPGA encourages members to invite and/or bring potential members to this open and informative discussion about The State of the State's Propane Gas Industry.

OPGA officers and staff will be present to discuss OPGA's legislative program; the annual convention; efforts to extend (again) federal tax credits on alternative fuels; the distribution of VW Settlement Funds, etc.

Officers and staff from the L P Gas Research, Marketing and Safety Commission will also be on hand to discuss the Commission's water heater and regulator rebate programs, etc.

Dinner will begin at 6:30 p.m. and the open discussion should begin by 7:00 p.m. For those of you who want even more conversation, an informal "social hour" will begin at 5:30 p.m. in each restaurant's "watering hole". Programs will end when the last question has been asked and/or the last comment has been made...usually around 9:00 p.m.

Dinner is on us! We sincerely appreciate the sponsors who helped make these events possible.

If you plan to attend, please reserve your spot by calling OPGA at 405-424-1775 or by emailing us at opga@rhess.com.

We hope you will make plans to join us at the location that is most convenient for you...or at all three.
