OKLAHOMA AND ARKANSAS PROPANE GAS ASSOCIATIONS

WHY YOU SHOULD ATTEND...

The Oklahoma and Arkansas Propane Gas Associations are pleased to invite you to the 2019 Annual Conference and Trade Show. Propane marketers from Oklahoma and Arkansas will meet at Shangri-La Resort in Afton, Oklahoma to learn, network and share. Attendees will have the opportunity to network with colleagues, learn about new technology, and discuss topics that are impacting the propane industry.

NETWORKING OPPORTUNITIES

Participants will have plenty of time to mix and mingle, form new relationships and strengthen existing ones. Over coffee, lunch or at the receptions, you can expand your client base or gain a new business connection.

TRADE SHOW

The trade show is the place to be! You will be able to see the latest tools our industry partners have to offer.

INVEST IN YOURSELF

By attending the Oklahoma and Arkansas Propane Gas Associations Annual Conference, you're investing in yourself, your career and your company.

THE ACTIVITIES...

OKIE/ARKIE GOLF TOURNAMENT

Join us for a round of golf at one of Oklahoma's top courses. There are 27 new and/or totally rebuilt golf holes ready for you to test your skills. You will enjoy a relaxed, traditional golf experience that reminds you of what a golf outing is supposed to be. And yes, bragging rights are on the line!

SKEET SHOOTING

Whether you want to practice for the next hunting season or want to join just for the fun of it, experience the thrill of skeet shooting. Cherokee Spur Ranch will serve as our host as we start the conference off with a bang!

DOCK & PLAY

You can unwind at the luxury spa, catch some rays at the large resort pool, or visit the full-service marina for boat, sales, service and rentals.

THE PROGRAM...

CORKEN PUMP SCHOOL

This school will focus on pump theory, correct installation, trouble shooting, service and maintenance and an overview of the Corken dispenser, plant and truck pumps. There is no limit on attendance.

CATHODIC PROTECTION FOR UNDERGROUND PROPANE STORAGE TANKS

Rules are currently pending at the state of Oklahoma that would require specific training to install underground propane storage tanks.

2019 CLASS I & CLASS X MANAGEMENT SAFETY SEMINAR

Class I and Class X Oklahoma propane dealers are required to attend a Management Safety Seminar every two years. While it is not required in Arkansas, Arkansas dealers are welcome to attend. Plus, that program could count toward Arkansas' continuing education requirement. Pre-registration is required. The Management Safety Seminar is jointly sponsored by the L.P. Gas Administration, the L.P. Gas Research, Marketing and Safety Commission and the Oklahoma Propane Gas Association.

REMOTE MONITORING OF PROPANE STORAGE TANKS...

ANOTHER EXPENSE OR A MONEY SAVER?

Are remote monitoring devices for propane storage tanks just an added expense or can they save your company personnel costs and perhaps even the cost of another bobtail delivery truck? Officials say if you know the fuel level of your customers' tanks, you know when and where you need to deliver product, and you can better plan your routes, avoid small drops and runouts, and be there when your customers need you. Officials will discuss how these devices can be incorporated into your route deliveries to maximize efficiency and improve your bottom line by reducing your personnel costs and perhaps eliminating the need for additional delivery capacity. This presenter is still pending.

**OKLAHOMA AND ARKANSAS PROPANE GAS ASSOCIATIONS
2019 ANNUAL CONFERENCE
SHANGRI-LA RESORT, AFTON, OK
JUNE 4-6, 2019**

**SPONSOR/SUPPLIER/EXHIBITOR
BOOTH RESERVATION FORM**

Booth assignments will be made by the show coordinator and done on a first come basis. Booths will be one 10x10 area. (There will be no pipe and drape.) Each booth will have one skirted table, two chairs and waste basket. Each exhibitor will be notified of his or her booth location upon arrival. We have also reserved an area outside for those wishing to display a vehicle. **Exhibitors must register for the convention in addition to payment of the exhibit fees.**
